1. Do I not desire to speak to those in government, those in leadership, those in positions of great power, with decision making that affects thousands, thousands, millions, and more?

Do I not desire to commune with them, communicate with them, and send them reinforcements of My words, My encouragement through others who know Me and My words, carry My words and proclaim them as such, deliver them as such, speaking forth that with creates, sustains and implements more of Me in the sinew of My spirit within them?

2. Come now, who will go, who will speak, who will stand up and speak forth the words that I give them for My who-know-Me in political power?

Who will stand up unashamedly with grace and glory and skill and speak forth encouragement, rebuke, encouragement, with solemnity, with grace, with skill, with love encompassing all, and deliver it with meekness that allows Me to be heard in every word?

Come now, arise, exhort, encourage. Reticent not be of Me or My words or My instructions or My encouragement or My rebuke to any person, whatever their thought-status, whatever their titles and labels. I come and I call and I use My body to speak and encourage and question and refine and hone My body—maturity.

3. Maturity cometh forth, maturity cometh forth, maturity cometh forth, not money, money, money. Money comes as one and only one of the directly indirect provisions of My hand, through relationships, relationships, relationships.

4. If only they, all, would, will, seek Me first, more would stand, and more standing will you help take place—those who will stand and understand Me and My words and arise and be used in great glory and skill to exhort and encourage My body—correcting, connecting, and letting My words direct. Letting Me direct. Letting Me be Me and therein their design coming forth freely and fully—freedom, freedom, freedom—freedom personified in them, by Me, Me, Me.

I love you.

5. Arise and hesitant be never to phone, write, email. I commune and communicate with Mine in places powerful. I walk you there now, now, now. Enjoy the walk—with Me, Me, Me, beside you, in you, enabling, empowering, and speaking through you.

Thank you for letting Me speak, being My mouthpiece, giving tangibleness to My words, My Spirit personified, and raising others all over My creation to do likewise, and more so.
